

CELEBRATING A SHARED DESIGN LEGACY

To mark **95 years of Pininfarina**, Anest Iwata and Pininfarina celebrate a **long-standing partnership** defined by precision, elegance and purposeful design. The **Limited Edition Series 2 spray gun**, conceived for this occasion, is more than a tool: it is a tribute to a collaboration where **beauty and performance coexist**.

Guided by the vision of **Nicola Girotti**, **Design Manager at Pininfarina**, the **Limited Edition Series 2 spray gun** is a refined reinterpretation of a shared legacy, reflecting the DNA of both brands.

**TWO BRANDS,
ONE SHARED DESIGN VISION.**

TIMELESS BY DESIGN

A design collaboration crafted to celebrate shared vision and enduring beauty.

WHY PININFARINA?

"Teorema",
a Virtual Concept
Car by Pininfarina.

Anest Iwata looked beyond pure aesthetics, seeking a **visionary partner** who transforms design into performance. For decades, Pininfarina has mastered the fusion of engineering and art, shaping forms where **elegance and function** are one.

This partnership celebrates shared values: design is not an accessory, but the highest expression of excellence. Together, Anest Iwata and Pininfarina embody a **legacy of timeless innovation and sophisticated style**.

Pininfarina's
vision, where
design,
innovation,
and technology
meet, inspired
Anest Iwata
to rethink the
car refinisher's
experience
through **form**
and **function**.

A PARTNERSHIP SINCE 2009

Design and performance,
developed as one, shaped by
a mutual pursuit of excellence.

2009

**WS-400
& LS-400
Supernova**

A new standard,
born from
equal synergy
between
engineering and
design, where
performance
meets form.

2021

**WS-400
& LS-400
Series 2**

A refined
evolution, built
on the original
vision, where
ergonomics,
balance and
control are
reimagined.

DESIGN. PERFORMANCE. EVOLUTION.

A JOURNEY REFINED

For 95 years, Pininfarina has shaped design with **vision and passion**. Anest Iwata has matched that with **precision and innovation**. The **Limited Edition Series 2** spray gun is where these paths converge, a symbol of **craftsmanship and evolution**.
